

You Have Your Toilet Stall Measurements, Now What?

Begin by Measuring Your Restroom Layout

It's never been easier with the new Newton Distributing Quote Builder. The tool allows you to enter your preferred toilet partition sizes (by inches) and you get your price in real time. Simply follow the step-by-step process and at the end of the process, your price is on the screen in real time! No delayed emails or waiting for a rep to call you, the price appears like magic right before your eyes. No waiting on a separate logistics quote either. The price you see is the price you get!

Now, read on and get a better understanding of the various toilet partition materials you can choose from!

The screenshot shows the Newton Distributing Company website's Quote Builder interface. At the top, the company logo and contact information (877-837-7745, Help/FAQ, Upload Plans) are visible. The main heading reads "You Get Your Price in Real Time! For Real. No Games..". Below this, there are two main sections: "Custom Quote Builder" and "Place Your Order!". The "Custom Quote Builder" section includes a diagram of a toilet partition and instructions to "Enter your dimensions in our Quote Builder for the fastest price!". It features an input field for "Enter Your Email to Start" and a "Build Now!" button. The "Place Your Order!" section includes a shopping cart icon and instructions to "Enter your information below to complete your order now!". It features input fields for "Email Address" and "Quote Number", and an "Order Now!" button. At the bottom, there is a footer with a link to "Need changes on an existing Quote? Call 877-837-7745" and a navigation bar with links for Home, Shipping, Returns, Warranties, Terms of Use, Privacy Policy, and Contact Newton.
